

ART OF SCALES (FOR CELLO)

ACCELERATION PATTERNS

These patterns are to be used with each scale in this book. In this example, the C major scale is accelerated. Notice that each pattern contains two beats, or two metronome "clicks" per bow with the exception of the 32nd notes (the last pattern), which contains three beats/bow. (♩ = 40-60)

The image shows seven staves of musical notation for acceleration patterns in C major. The notation is written in bass clef with a 4/4 time signature. The first two staves show the C major scale in a simple, slow motion. The subsequent staves show the scale being played in increasingly rapid patterns, with some staves featuring slurs and accents to indicate the acceleration. The final staff shows a very fast, dense pattern of notes.
